Dear Ma'am/Sir,

Having recently came to know about the job opening in your organization, I was compelled to contact you right away with my interest. In hopes of being considered for this position, I've included a brief outline of my background and qualifications for your review. I believe that I could make a strong addition to your team and offer the following career highlights to support my candidacy:

- In-depth knowledge of designing and developing native iOS apps with over half a decade of experience.
- Exceptional ability to deliver a product in a defined time frame.
- Hands-on experience in requirement gathering, analysis, estimations, team & project management.
- **Success Stories**

StackOverflow

- Achieved **26000+** reputation on the [Stackoverflow](https://stackoverflow.com).

- I'm one of the top **2%** influencers of the worldwide community of over **14 million** developers.
- **1.7 million** people reached through or got help from my profile on the Stackoverflow.

Projects

- One of my apps secured the **#1** position on the **App Store** in the photo and video category in the US.
- One of my apps received the **Apple Editor's Note** Award.
- I'm a quick learner with good grasping abilities, a great team player, can work individually, have great problem solving and decision-making skills.

Moreover, I possess excellent communication, leadership, and problem-solving strengths. For a greater presentation of career contributions and achievements, please see my enclosed resume. I welcome the opportunity to speak with you at your earliest convenience and thank you for your time and consideration.

Sincerely,

Ketan Parmar
